I am thankful that for many

I am thankful that you are in America

Radio stations lead in gathering toys

RADIO ROUND-UP — The staff of Snyder radio stations have been working to collect toys for area children this Christmas. Standing among a portion of the toys collected are (l-r) Daphene Thompson, Sherec Stone, station owners Dink and Lydia Foree and station manager Chuck Montana. (SDN Staff Photo)

Snyder radio stations are setting the example of giving in Scurry County.

Recently, the station has been heading up the Chuck Montana Dream Foundation, a campaign to bring toys to children who, for whatever reason, may not be getting Christmas gifts this year.

"We are so proud of the way that the gift drive has gone so far," said radio owner Dink Foree. "It's really been building every year."

While the drive for toys has been successful, Montana and his staff will not stop.

"We're looking forward to doing more and more to get these toys to the children," he said.

KSNY/KLYD kick off the 10th annual Christmas for Kids drive today. The KSNY "Boogie Buggy" will be broadcasting at a

number of locations in town through Dec. 20. The first show was from Barbee Medical Supply and today's was from Rip Griffin's Truck Stop.

On Monday the remote will be at United Supermarket, and on Tuesday at Nix's Auto and Tire Service. Wednesday, it will be from Coventry Plumbing and the "Boogie Van" will next be at the offices of Big Country Electric Cooperative on Thursday. On Friday the show will broadcast from the two Snyder locations of Town and Country.

Next Saturday the broadcasts will wind up at Dennis Quick Auto Service.

Foree asks that anyone who wishes to donate to the toy drive is welcome to bring toys, canned food for the Food Cupboard. Also cash donations are accepted.

My name is Kendal Schacher. I work for Classic Cable in Post, TX. I was wondering if it was possible for us to do a little trading. We have a local T.V. channel here that does FM audio on it. Right now, We have KPOS on it. Needless to say, there are a few people in this town who could care less for KPOS due to their format. They play too much rock'n'roll and should be playing the "BEST COUNTRY MUSIC". I was wondering if it was possible that if we put your radio station on our local channel for some possible free spots of adds for our cable company. If this is possible, contact Adena Crawford at 1-800-999-8876, and

ask to speak to her. She is our public relations person. Thanks for your time in reading this. If I can get rid of KPOS and get KSNY on, it sure would be a big relief for me. Besides. KSNY beats the hell out of KLLL in Lubbock!!!

Thanks,
Kendal Schacher, Post,

Dear Mr. Foree:

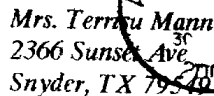

I am proud to tell you that I will be returning to Snyder next month to announce the Scurry Country Rodeo once again. You know that I sincerely appreciated your cooperation with the Radio Rodeo Reports last year. You and the other members of your staff greatly assisted me with the reports.

I am looking forward to the possibility of continuing the reports again this year. I'll give you a call when I get into town on Thursday, July 16, 1998. Hopefully, we can continue the success we have enjoyed the last two years.

Very truly yours,

Dear Dink, Lydia, + KSNV Radio,

Thanks so much for all your help in keeping the Ritz before the public. We're having good response to the season ticket drive, thanks to your reminders over the air. And Gopher's Breath was a real hit with good crowds every performance. But the crowds wouldn't have been ~~there~~ if they hadn't been informed. Thanks for the publicity. And thanks to Lloyd for his memorable performance! People are still raving about him. Hope to see him onstage again soon. And it's a pleasure working with Melissa. Be seeing you soon.

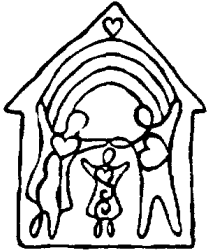

Sincerely,

Thank You!

We greatly appreciate your support in our May Day Fund-raising efforts! The entire staff was very helpful with local publicity through the news and ads! Thank You for helping us serve the elderly of our community!

LOCAL MEDIA HONORED

(AUSTIN)--*KSNV Radio* was named to the Media Honor Roll, a program sponsored by a Leadership TASB project team, by Ira ISD. The Media Honor Roll recognizes media representatives statewide who deserve recognition for fair and balanced reporting of news about public schools. Reporters representing more than 300 Texas newspapers and radio and television stations were honored by 163 local school districts.

Criteria for the nomination included media representative's efforts to get to know the superintendent, board president, and the district's mission and goals; report school news in a fair, accurate, and balanced manner; give a high profile to positive news about schools; visit the schools; and maintain a policy of no surprises by sharing information with school officials.

"Districts across Texas appreciate these reporters for their balanced and accurate approach to sharing both the challenges facing our schools and the successes achieved by local teachers and students. Their work aids local communities in focusing on the goal of providing the best public schools we can for every child," said Robert Key, a member of the Leadership TASB project team.

In most cases, local school boards passed a formal resolution to add names of media from their communities. The Media Honor Roll will appear in the May issue of *Texas Lone Star*, and certificates were created for presentation at the local level.

The Media Honor Roll was initiated by a Leadership TASB project team of board members that included Martha Keith from Hunt ISD; Joe Rios, Jim Hogg County ISD; Debbie Porter, Pleasant Grove ISD; Rebecca-Ann Taulton, Mexia ISD; Robert Key, Coppell ISD; and Clarence Bailey, Longview ISD.

Leadership TASB is a development program designed by school board members for school board members. The program is open to all Texas trustees who have fulfilled 30 hours of certified school board member training credit and have demonstrated leadership ability on their local board and in their community
